## Technical Specifications

### BABYLONE

Babylone is a spherical plexi-glass pendant with room for plants. The sphere has openings that allows stems and leaves to meander out of the globe. Almost any plant can be used to create a unique expression. The full spectrum light source satisfies the plants and gives a pleasant atmosphere. We recommend to use a mineral rich and high water retention substrate.

<b>Dimensions</b>	40 cm or 50 cm diameter
<b>Colours</b>	White, smoke grey (top part)
<b>Material</b>	Steel, PMMA, plexiglass
<b>Light source</b>	4-12W LED, 3000K
<b>Power</b>	230V
<b>Weight</b>	5/5,7 kg
<b>Year of Design</b>	2016
